Year 11 Subjects for 2020

To the parents of: _____

With subject lines set for next year, please view below the subjects that have been selected by your child for Semester 1 2020 and discuss and review them. If you have any questions about the subjects chosen please ring and I will be happy to discuss this with you.

Some subjects that were initially offered may not appear in the subject lines. This may be due to insufficient students selecting this particular subject. Depending on the subject, you may still be able to study this subject through other avenues. Please feel free to contact me for more information.

All year 11 students should have 1 subject chosen per line. If two subjects have been selected in one line, please re-choose to avoid a clash, in red pen.
